

**ETE  
LOGISTIXX**

# A match made in heaven

ETE Logistixx is the result of a joint venture between the Portuguese GRUPO ETE and Antwerp based Belgian company STEELDUXX.

GRUPO ETE's vast experience and integrated businesses in logistics, port and maritime sector and STEELDUXX's profound know-how in break-bulk, RoRo & container logistics, allows us to provide exceptional, reliable and efficient integrated logistics services to our customers.

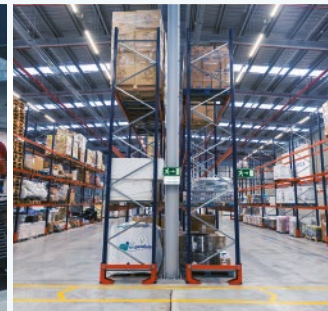

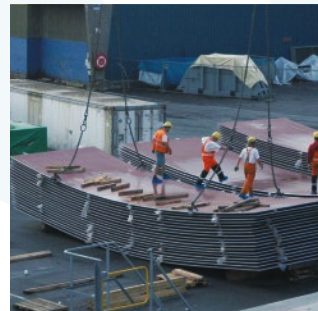

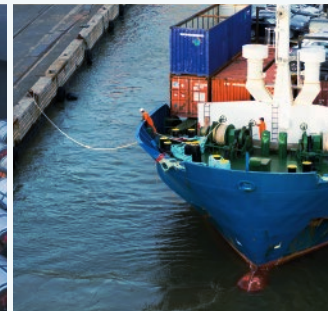

The union of these two companies brings together the right people, assets and extensive know-how in delivering **state of the art solutions for your cargo**.

## A unique joint offering

We are a **trust worthy matchmaker with a customized, flexible and value-added offer**.

We can help our customers through smart supply chain solutions and by sharing our networks, helping you to focus on your core business.

- Deep **market knowledge** in terms of cargo flows and players
- Local people with **extensive networks and experience**, with the same mindset in every place we operate
- A team ready to build **customized solutions** to respond to your logistics challenges regardless of the commodity
- Port Terminals, Warehouses & handling **equipment in several countries**, able to handle and store a wide variety of commodities
- **Rail, Road & Water Connection** to the terminals in Antwerp & Portugal
- **Worldwide coverage**
